Registered Supportive Recovery Assisted Living Services in British Columbia

BRITISH COLUMBIA CENTRE ON SUBSTANCE USE
networking researchers, educators & care providers

In partnership with the Ministry of Mental Health and Addictions and Ministry of Health, the BC Centre on Substance Use has compiled the following list of registered supportive recovery residences and licensed substance use facility in British Columbia.

Oversight and accountability for registered supportive recovery residences is the responsibility of the Ministry of Health – Assisted Living Registry. The following information has been collected directly through service providers and publicly available information and is subject to change at any time. As such, it is recommended to call these residences directly to get the most up to date information and to address any special considerations and requirements you may have.

Residence	Address	Postal Code	Phone	Website	Accepting clients on OAT*?	General Eligibility Requirement	Email address
*** For further information about OAT policies, please contact facilities directly to guide your decision making and determine if the service fits with your recovery goals and current medications.**

All Assisted Living Residences (provided in the list above) must follow the legislation set out in the Community Care and Assisted Living Act (CCALA) and the Assisted Living Regulation. The Assisted Living Registry website provides information concerning regulation, investigations, and substantiated complaints: www.gov.bc.ca/AssistedLivingBC/AssistedLivingRegistry

Some licensed withdrawal management services have been noted on this list but others are available. For more information on accessing broader detox and withdrawal managements services please contact your local health authority.
The contact information for the Assisted Living Registry is:
