# Our Mandate

## Datering

The Legacy of Hope Foundation (LHF) is a national Indigenous-led charitable organization that has been working to promote healing and Reconciliation in Canada for more than 23 years. The foundation's goal is to educate and raise awareness about the history and ongoing intergenerational impacts of the Residential Schools, Day Schools, and the Sixties Scoop on Indigenous Survivors (First Nations, Inuit and Métis), their descendants, and their communities.

The LHF works to encourage people to address discrimination and injustices in order to move the work of Reconciliation forward across Turtle Island. The LHF works with Survivors, Indigenous communities, researchers, curators and educators to develop resources and programming that helps to educate and inform Canadians of all ages about generations of colonial oppression and the need for Reconciliation.
